## *a hidden gem*

Way off the beaten track, the Loir Valley is a place of peaceful grace, where your reward will be an earthly connection, a chance to breathe and dream. It is one of those magical places that seems to float freely over maps of the region.

Once you arrive here, this heavenly green land will keep its promises.

The towns are not busy.

The forests are not thorny.

The villages are not sleepy.

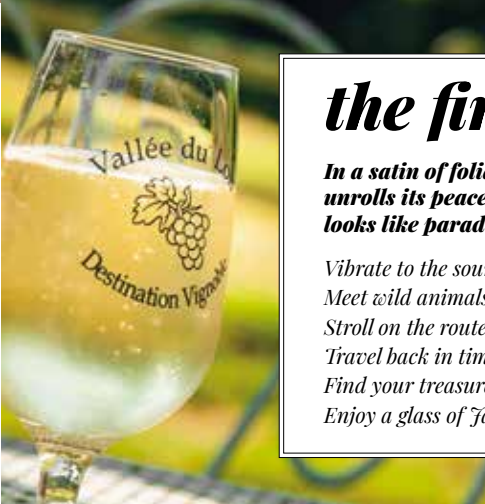

It's a place to delight your senses and enjoy simple contentment.

The heritage is rich and recognised with Pays d'Art et d'Histoire status (Land of Art and History). Timeless landscapes, bridges, mills and country paths will cast their spell on you.

La Chartre-sur-le Loir, La Flèche, La Forêt de Bercé, Le Lude et Montval-sur-Loir light up like lanterns this vast green countryside stretching 40 km north of the Loire Valley, in the Pays-de-la-Loire region, 2.5 hours south-west of Paris.

## **THE CENTENARY OF THE 24 HOURS OF LE MANS**

## LA CHARTRE-SUR-LE-LOIR, A SPECIAL VENUE FOR RACING CAR ENTHUSIASTS!

As the events on the Le Mans circuit approach, La Chartre-sur-le-Loir often sees its Place de la République become the setting for a procession of vintage and luxury cars. Year after year, the car enthusiasts get the word out. They meet up, cameras in hand, to admire the beautiful cars!

## L'HÔTEL DE FRANCE, AN ICONIC VENUE!

A must-see on the village square, sip your aperitif on the terrace of the Hôtel de France, an iconic place forever linked to the 24 Hours of Le Mans, where celebrities such as the Kennedy family, Steve McQueen, and even French presidents have stayed, as the photos in the bar testify. After 100 years in the same family, the hotel has been taken over by new owners who have given it a new lease of life. Matching the reputation and quality of the event, the Hôtel de France has lost none of its charm. The tasty local recipes vary according to the season and the rooms feature a delicately-refined romantic décor.

# ***By canoe or boat on the Loir, the walk is delicious!***

With its shallow bed, this gentle river is classified as a 2nd category river for fish. It is recognized for the quality of its water. The roach, bleak, bream, carp, tench, perch, pike, pike and catfish attract many fishermen. The tributaries of the Loir, classified in 1st category for fish, as well as several lakes make the fishing activity attractive.

Are you looking for a touch of freshness? In Marçon, Luché-Pringé, Mansigné or La Flèche, spend a few hours with your family and friends in a whirlwind of swimming and fun activities: pedal boats, water slides, paddle boats, kayaks, sailing lessons. Everywhere, chalets, wooden tables and a club house invite you to prolong the moment with a picnic.

Between Marçon and La Chartre-sur-le-Loir, there is no shortage of canoe or pedal boat trips.
